

## Code of Ethics:

**As a member of the Southern Park County Fire Protection District, it is our duty to safeguard the lives and protect the property and the environment. Our responsibility is to serve the community and to perform all duties with integrity.**

### **We Will:**

- Place the public interest above individual, group, or special interests and ensure the trust of the public in all our actions
- Treat all persons courteously, equally, and fairly avoiding unjustifiable or improper criticism or comment against other individuals or groups
- Utilize information, gained by virtue of our position, ethically
- Never jeopardize the safety of fellow members
- Conduct our personal and professional lives in such a manner that inspires public confidence
- Acquire adequate knowledge to perform our job and participate in appropriate professional development activities
- Avoid any activities that may be, or may be perceived as, a conflict of interest
- Not utilize the Fire Protection District name, logo, or affiliation to obtain profit, personal gain, or favors
- Perform all duties earnestly, economically, and efficiently
- Demonstrate honesty and personal integrity in all actions

**As a member of the Southern Park County Fire Protection District, I will perform to the best of my abilities and conduct myself at all times in such a manner as to create respect for myself, the department, and the community of Guffey.**
