

Southern Park County Fire Protection District

MISSION STATEMENT

The mission of the Southern Park County Fire Protection District (SPCFPD) is to provide fire protection and emergency rescue operations within its 240-square-mile district boundaries; encourage fire and human-caused disaster prevention through community education; ensure the existence of a properly trained team of primarily volunteer firefighters who are able to, and motivated to, respond professionally and work safely; acquire and maintain the necessary equipment; and provide mutual aid to neighboring fire and emergency services departments, as requested.

The mission of the Southern Park County Fire Protection District must be attained by:

- actively recruiting and training volunteers;
- providing training and equipment to ensure volunteer firefighters work in as safe an environment as possible;
- providing leadership, supervision, and management techniques that ensure proficient and consistent levels of operation;
- providing careful planning and implementation of an understandable operations system capable of handling fire/rescue emergencies;
- providing service to the community with qualified personnel, apparatus, and related equipment capable of responding to emergency calls;
- maintaining a professional attitude of behavior, confidence, and competence to ensure fire/rescue is effective and to gain public confidence;
- working closely and cooperative with other Park County fire and rescue organizations, Park County and State Law Enforcement Agencies, United States Forest Service and related agencies, State of Colorado Forest Service and related agencies and neighboring volunteer fire and rescue operations.
